Rockwell Community Nursing Home

News from the Activity Department

April showers bring May flowers!

I think we are all hoping for no more snow this season. We plan to get the garden started this month and finish putting out our bird feeders.

March was a busy month for the residents and staff here at the nursing home. For Saint Patrick's Day we had some of our amazing volunteers come in and do a painting class! We had corn beef and cabbage for lunch as well as a cheese ball after the painting class. For our craft we placed buttons into the shape of a shamrock. They also enjoyed learning and playing the card game 500. We hope to keep learning new card games. The staff and residents enjoyed following the March Madness games.

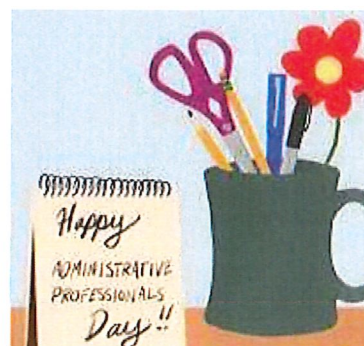

Speaking of our amazing volunteers, April 19th -25th is National Volunteer Week. We would like to thank all of our volunteers who come to the facility, help with activities, and help our residents feel connected to the community. We will be hosting a "Volunteer Brunch" on Monday April 20th at 10 A.M., to celebrate all our volunteers. We would love for you to come join us so we can recognize and thank you for all you do, be on the lookout for an invitation!

We have many exciting things coming up in April including Easter. The residents have been filling eggs in preparation for the Easter egg hunt taking place at Ziedler park. This month we are planning to paint pots and plant flowers. We are also going to have a baking class and another painting class. We are all excited for the warmer weather.

Happy Easter everyone!

Krista and Trish, Activity department

National Administrative Professionals Day is Wednesday March 22nd, and we would like to give a big shout out and thank you for everything our administrative staff do!

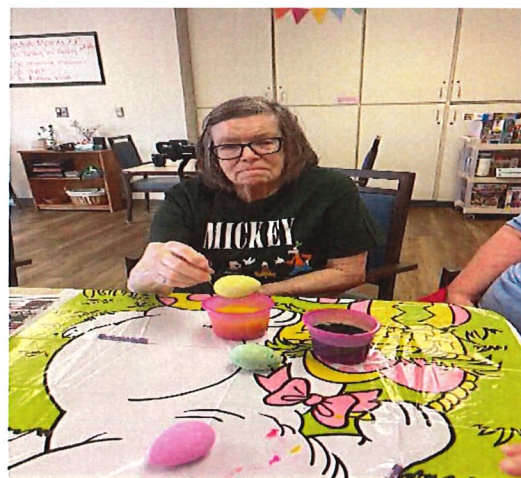

Hello!

I am Krista Hejlik, the new Activity Director! I currently live in Meservey where my partner and I recently bought a house. I have been a CNA for a few years and am very excited for this new journey. If you are interested in becoming a volunteer, please let me know! I am excited to bring in new ideas and get to know the residents. I look forward to being a part of the RCNH community.
