Hello from the Activity Department...

June was another month filled with fun! We had Resident Council, Headbandz, s'mores, crafts, special visitors, painting, a magic show, and of course, bingo and pokeno!

This month's Resident of the Month was Chris H. For her special activity, she chose to play bingo. This month, we also got an ice cream and slushie machine, and we cannot wait to use it! We also had therapy-certified mini horses come to visit. The residents really enjoyed spending time petting them and getting to know the horses. They plan to bring them back again!

June 11th–17th was National Certified Nurse's Aide Week. We celebrated all of our CNAs' hard work by hosting a Resident/CNA social. We played bingo and enjoyed treats, including meat and cheese trays, little smokies, and sweets. Another huge shout-out to our CNAs—thank you for everything you do!

For our craft this month, we made wreaths for the residents to hang on their doors. They were able to choose from different ribbons to attach to the wire wreaths. These will be great not only for the 4th of July, but for other holidays as well.

In July, we plan to celebrate Independence Day with cards, cornhole, and ring toss. We will also have different snacks and goodies for the residents and will finally get to try out the ice cream machine! In July, we will also have Lime Creek coming in to present a program for the residents. We hope the heat gives us a break so we can spend more time outside!

We hope everyone has a safe and happy 4th of July!!
