## **Hello from the Activity Department...**

**The month of May was filled with fun! We started the month by celebrating Cinco de Mayo. We celebrated Nurse Appreciation Week with a nurse/resident social where they got to play medical bingo and enjoy treats. We also celebrated Nursing Home Week with special meals and snacks, including their favorite, an ice cream bar. Mother's Day was also in May. The residents enjoyed bagels and fruit, and the ladies received a flower.**

**We did a craft for Memorial Day. While we would have liked to get outside more this month, it was filled with rainy days and hot days. We were able to get out and watch and listen to the birds. We found other ways to pass the time and have fun, including bingo, pokeno, music, and puzzles. The residents have been enjoying lots of ice cream with the warm weather. Hopefully, next month we can spend more time in the garden. The resident of the month was Mary Kay. For her activity, she wanted to play bingo! Next month the resident of the month is Chris H. The card game 500 has still been a hit with the residents every Wednesday.**

**We have lots of exciting things planned for June! Levey the Great is coming to do a magic show. We are hoping to get outside, play cornhole, and make s'mores in the garden. Even if it gets too warm, we can go on van rides and maybe stop for some ice cream! We have a month filled with bingo, pokeno, baking, and crafts. Also, in June we will celebrate Nursing Assistant Week.**

**We cannot wait for all the fun and warm weather in June!**
