CONGRATS!!!

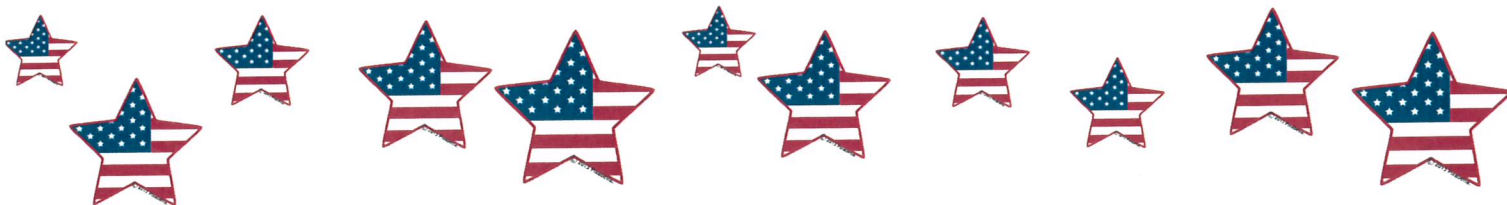

You did it!

Did you know???

Flag Day is June 14 and it commemorates the day in 1777 when Congress adopted Old Glory as the flag of the United States.

However, the holiday wasn't immediately recognized. It wasn't until 1885 when 19-year-old schoolteacher BJ Cigrand put a flag in a bottle on his desk in a Wisconsin public school and had his students write essays about the flag in observance of its adoption that anyone had celebrated Old Glory's birthday. This was actually the flag's 108th birthday! During the following years, Cigrand continued to advocate the observance of the day.

Hello from the Activity Department!

Good bye May.....Hello June! We worked hard getting our flowers and vegetables planted and now we get to sit back and enjoy watching them grow. This year we planted 3 different types of tomatoes, radishes and a strawberry plant. For flowers, we planted lots of wave petunias. They are always a request every year and look so beautiful the more they grow and spread.

This month we will start van rides. We usually go on Wednesdays, leaving at 1:30 p.m. and returning by 3:30 p.m. Let Shana or Trish know if you are interested.

Be sure to check out the activity calendar on the back, we have some new activities this month!

NOTE: The activities in red will be held outdoors in the garden area weather permitting. 😊

Please come and join us for a Father's Day Social! It will be held on Friday, June 16th at 3:00 p.m.

When I was a kid, I said to my father one afternoon, "Daddy will you take me to the zoo?" He answered, "If the zoo wants you, let them come and get you." - Jerry Lewis
