A Note from the Activity Department...

We would like to say "Thank You" to everyone who "steered" RAGBRAI riders our way. The residents and staff sure enjoyed watching them all ride by. We even had a few stop in and visit us!

Shana Rohlfen, Activity Director

Hello from the Nursing Department!

Everyone has been working hard to pitch in and try to meet all needs since Carol left at the end of February (By the way, we sure do miss her and wish her all the best☺). I know I have been in contact with many of you whether by phone, in person conversation, or your presence at care conference. I appreciate all of the feedback I get from you. We try to strive to keep the lines of communication open! Our goal is to continue this trend as it has been in the past and continue the continuity of care.

The CNA's continue to do a wonderful job of caring for daily needs. In addition, Nurses are doing an outstanding job of monitoring, assessing, and ensuring everyone gets their medications correctly. Not an easy task to say the least!

We just wanted everyone who reads this newsletter to know that the Nursing staff is still alive and well.

Take care and hope to see you or hear from you soon!! ☺

RAGBRAI riders visit us here at the Nursing Home!

Although the rains came, the riders did too! One even brought her dog in to the Nursing Home with her. We had prepared lemonade and water in anticipation of thirsty bicyclists but the rain made the riders pass through Rockwell faster than if the sun would have been shining.

A little bit of RAGBRAI history.....

In 44 years, RAGBRAI has passed through 780 Iowa towns, spent the night in 125 different overnight towns and with completion of the 25th ride in 1997, has been in all of Iowa's 99 counties. RAGBRAI has been through 80 percent of the incorporated towns in Iowa.
