## News from the Activity Department...

I think Fall is officially here....Yay! We kicked off the start of Fall here at the facility with a Pajama Party, even though it was 90 degrees out that day (not exactly what I had in mind when planning for it). It was such a nice “relaxing” day and movies, a popcorn bar complete with several add-ins, made it pretty awesome. Pajama Day got such good feedback from the staff and residents which says to me we better do this more often!

Below is the Care Conference schedule for the months of October and early November. We invite family members to attend, so please call to schedule a time. Care Conferences begin at 9:30 a.m. and for your convenience and ours, we limit the time to 30 minutes per conference.
