News from the Activity Department....

This month we will be getting out to the garden area as much as the weather allows us. We have our flowers planted and bird feeders full so now it's time to sit back, relax and enjoy the fresh air.

The West Fork 5th & 6th graders will be coming to visit on their last day of school (June 3) and I have a feeling we are going to see a lot of hyper and excited kiddos. We sure appreciate their visits and wish them a safe and fun summer filled with lots of laughter, camp outs, fishing and pool days.

On that note, I will actually be getting a little summer vacation myself as my husband and I will be welcoming our 2nd daughter come mid-July. My days will be a little different as they will be filled with lots of dirty diapers, bottles, lack of sleep and helping my toddler adjust to not being "Queen Bee" anymore 😊!

While I am gone Trish will be on her own in the activity department so any questions or concerns you have, she is your girl to ask!

Did you know???

Flag Day is June 14th and it commemorates the day in 1777 when Congress adopted Old Glory as the flag of the United States.

However, the holiday wasn't immediately recognized. It wasn't until 1885 when 19-year-old schoolteacher BJ Cigrand put a flag in a bottle on his desk in a Wisconsin public school and had his students write essays about the flag in observance of its adoption that anyone had celebrated Old Glory's birthday. This was actually the flag's 108th birthday! During the following years, Cigrand continued to advocate the observance of the day.

"A good father is one of the most unsung, unpraised, unnoticed, and yet one of the most valuable assets in our society." -

Billy Graham

"Becoming a dad means you have to be a role model for your son and be someone he can look up to." - Wayne Rooney

"Daddies don't just love their children every now and then, it's a love without end." - George Straight
