## November 2019

### Newsletter

From the Dietary Department...

Welcome Autumn, with its colorful landscapes and fall harvests. We all enjoy and are looking forward to the coming holidays with family and friends.

With this comes special meals, favorite recipes and memories. My children all enjoyed "cookie cutter" cookies and decorating their own batch, in their own special way. As most families, we all create our own special memories during the holidays..

All of our staff hope you enjoy the season and your favorite recipes together! Happy holidays from our dietary staff!

Bernie Ginapp, C.D.M.

## MercyOne Post-Acute Partnered Provider Network

Rockwell Community Nursing Home, Inc. was recently selected to serve the population of North Iowa as a member of the MercyOne Post-Acute Partnered Provider Network. MercyOne Population Health Service Organization (PHSO), in conjunction with MercyOne North Iowa Medical Center, recently extended an agreement to Rockwell Community Nursing Home, Inc to serve as a MercyOne PHSO Post-Acute Partnered Provider. As a Partnered Provider, Rockwell Community Nursing Home, Inc. will receive enhanced support to continue their work to provide best-in-class patient care to the North Iowa population they are privileged to serve.

Partnered providers are chosen through a comprehensive analysis of quality metrics and facility capabilities. MercyOne considers skilled nursing facilities (SNFs) that demonstrate a willingness to be a good partner, maintain an overall star rating of 3 or above, willingness to work collaboratively to reduce preventable ED visits and hospitalization, acceptance of medically complex patients, actively manage facility length of stay, and exchange best practices and information with partnered facilities. Rockwell Community Nursing Home, Inc. was chosen because they exhibit similar values to MercyOne. Their commitment to provide quality, personalized patient care and history of successful patient outcomes were instrumental in the decision to bring them into the MercyOne Post-Acute Partnered Provider Network.

We had mermaids, super heroes, butterflies, baseball players, black cats, bumble bees, and animals of all kinds! Thanks to all the parents who brought their children out to Halloween party and to the Legion Auxiliary Ladies for organizing it. It was fun seeing all the costumes!
