

Rockwell Nursing Home Newsletter June 2021

Hello from the Activity Department!

We are loving all this nice weather we've been getting. The garden area is now open and we have already started going on some outings. This month we will head over to Clear Lake to sit at the sea wall and enjoy "lake life", this is always a favorite outing for residents. The lake is always busy with kids swimming and people boating. Outings will mainly be offered on Wednesdays and we are open to new destinations just as long as we are able to follow our covid policies when out of the facility.

The residents have been enjoying being able to sit at the same table together during activities. It is so awesome seeing things going back to normal to for them and watching them be able to have more private conversations amongst each other versus shouting across the room..hehe!

There are a few games we are still not being able to play due to infection control concerns but the safety of our residents is much more important than any game of course, so we will just wait it out a bit longer.

Shana Rohlfson, Activity Coordinator

Employee June Birthdays

Cindy Staudt – 5

Julie Sheriff – 15

Below is the Care Conference schedule for the month of May and early June.

June 3rd, 2021
