## 2022 Newsletter

Hello from the Activity Department...

I can't believe it is June already! We are anxious to get the residents outside to sit in the garden and start van rides for the summer as the weather continues to get nicer. We have a beautiful red Ivy Geranium hanging basket outside the dining room window, and other potted flowers in the garden for the residents to enjoy.

The residents loved the Mother's Day Tea we planned for Mother's Day. The West Fork 7<sup>th</sup> and 8<sup>th</sup> grade choir came to sing and they really enjoyed listening to them. We had snacks, goodies, and some tea afterwards. Each resident received a fresh carnation flower to brighten up their room!

On Friday, June 17<sup>th</sup> we will be hosting a Father's Day Coffee for our residents. The kitchen will make some special treats for them to enjoy along with their coffee. Fathers are just as important, so we want to honor them on their day!

Happy Father's Day to all of the Father's out there!

Trish Kellogg, Activity Department

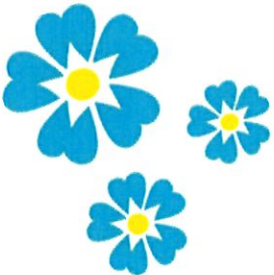

A big "THANK YOU" to the West Fork Middle Schoolers who came out and helped pull weeds, pick up trash and sticks to clean up our yard! We hope you all have a great summer!

## Happy Flag Day! June 14th

Flag Day, also called National Flag Day, in the United States, a day honoring the national flag, observed on June 14. The holiday commemorates the date in 1777 when the United States approved the design for its first national flag.

What is the meaning of the American flag?

The stripes represent the original 13 Colonies and the stars represent the 50 states of the Union. The colors of the flag are symbolic as well; red symbolizes hardiness and valor, white symbolizes purity and innocence, and blue represents vigilance, perseverance and justice.

*"To survive in peace and harmony, united and strong, we must have one people, one nation, one flag."*

*- Pauline Hanson*

## HAPPY FATHER'S DAY! SUNDAY, JUNE 19<sup>TH</sup>

This is a big day for the 72 million fathers in America. Nearly 95 million Father's Day cards were given last year in the United States, making Father's Day the fourth-largest card-sending occasion.

Sons and daughters send 50 percent of the Father's Day card to their dads. Nearly 20 percent of Father's Day cards are purchased by wives for their husbands. That leaves 30 percent of the cards which go to grandfathers, sons, brothers, uncles and "someone special."

*"Dads are like chocolate chip cookies; they may have chips or be totally nutty, but they are sweet and make the world a better place, especially for their children." —Hillary Lytle*
