News from the Activity Department...

December was a busy month for us here at the Nursing Home. Stockings decorated and hung by the chimney, (aka in the dining room) and the staff treated residents to yummy snacks and fun games at our annual Christmas party. We also had an angel tree with residents' names on it so staff could choose a tag from tree and purchase gifts for residents. The staff did a great job shopping. We even had a photo booth and snapped some great pics!

We also decorated cookies, ventured out at night to look at Christmas lights around town, cut snowflakes out of paper to hang around facility, had Pajama Day and Ugly Sweater Day!

The residents were all on Santa's "nice" list because Santa and his elf stopped by on Christmas Eve and delivered presents to everyone. A big THANK YOU to the Saint Peter Lutheran Church for supplying those gifts for the residents. Thank you also to Roger and Brandie Witte for putting up outside lighting displays for us to enjoy.

And speaking of thank yous....THANK YOU to all the families, friends and community members who have brought in treats for our staff. We really appreciate you thinking of us at holiday time and food is the perfect way to our hearts!

We want to wish you all a happy and healthy New Year! The Rockwell Nursing Home is so very grateful for the support and love from everyone that is continually shown to us.
