## News from the Activity Department...

February was a busy month for the residents as we celebrated the Superbowl and Valentine's Day. We celebrated the Superbowl with a tailgate where we enjoyed drinks, snacks, and games. The kitchen staff made some delicious "football food". We enjoyed nachos, hotdogs, chips and dip, deviled eggs, taquitos, potato salad, baked beans, and cupcakes.

For Valentine's Day we made boxes that the staff and residents got to fill for each other and we got to enjoy opening those on Valentine's Day. At our party we got a goodie bag that included a pencil, word search book, notebook, a candy bar, and heart shaped sunglasses. We had a photo booth with a balloon arch where we got to take our pictures individually or with a group of our friends.

Currently, due to Covid, we are limiting our social gatherings. We are doing hallway dance for exercise, playing a lot of Bingo, getting our nails done, and are starting to do some crafts for St. Patrick's Day.

This month we have included a "Bored Board" into the hallway next to our activity schedule. This is where we can find word searches, crosswords, hidden objects, and coloring pages if we are bored and need to keep ourselves busy. If the resident's finish a sheet, they turn it into Hailey or Trish and receive a ticket. The ticket can then be used for a van ride, special treat, a chance to be "resident of the month", or store credit.

We look forward to the warm weather coming and to be able to get outside and enjoy some fresh air! Spring is almost here!
